Celebrating your life adventures

At True North, we love celebrating life's incredible moments with our clients, friends, and family. That's why we created **True North Travels** (TNT), a special way to commemorate your biggest milestones and most exciting adventures. Whether you're taking a dream vacation, purchasing a new home, or celebrating retirement, we want to be part of your journey!

HOW IT WORKS:

✦ Capture the Moment

Bring the True North Travels Flag on your adventure and snap a photo while holding it! Before returning the flag, sign your name and write the location of your adventure on it.

✦ Return the Flag

When you're finished, send the flag back using the prepaid return envelope provided. If you picked it up in person, simply drop it off at our office—Be sure to say hi to the team and share some stories from your adventures!
